Editorial Index for 1975

The following index lists all major articlos which appeared in PAPERBOARD PACKAGING during 1975. Items preceded with an asterisk appear in the International editior.. Copies of all articles listed can be obtained by writing to: Reader Service Department, PAPERBOARD PACKAGING, Magazines For Industry, Inc., 777 Third Avenue, New York, N.Y. 10017.

ADHESIVES, HOT MELTS AND COATINGS

Productivity Improvements Featured in Folding Carton Converting Machinery — What's New ..... March
Curable Coating Needs No Energy Source; Enables In-Line Converting Operations ..... May
Ultraviolet Coatings Offer Converters New Marketing, Productivity Capability ..... May
Waxed Corrugated Offers Converters Opportunities for New Markets ..... June
Lower Cost, Non-Crusting, Greater Mileage Indicated for New Anti-Slip Coating ..... June

AUTOMATION

Automation is the Key to Equipment Purchases in 1975 ..... January
Stretching Ink Supply Possible with Viscosity Control on Press ..... January
Productivity Improvements Featured in Folding Carton Converting Machinery — What's New ..... March
Big Boxes Have Big Market Potential — and New Big Equipment Line ..... April
Tomorrow in Converting ..... July
Automation in Four-Color Separations May Soon Enable Transmission to Distant Cities ..... July
Taking the Mystery Out of Computer Controls ..... July
Continuous Corrugator Can Produce One Billion Square Feet of Corrugated Per Year ..... September
*Automatic Continuous Glue Preparation for Standard and Moisture-Resistant Gluing ..... October
Corrugating by Computer Offers More Than Control: Production, Protection, Training Are Enhanced ..... November
Transfer Car Replaces 9 Fork Trucks in Completely Conveyorized Plant ..... December

CORRUGATING OPERATIONS

1974 Will See Downturn in Corrugated; Folding Cartons Will Hold at Good Levels ..... January
Control of Warp Proven with Operator/Machine Interfacing ..... April
Big Boxes Have Big Market Potential — and Need Big Equipment Line ..... April
Selecting Right Equipment Involves Tradeoffs, Good Business Decisions ..... May
Plastic Saves up to 33 Percent of Box Plant Strapping Costs ..... July
Tomorrow in Converting ..... July
Taking the Mystery Out of Computer Controls ..... July
Corrugated/Solid Fibre Review (Annual Statistical Issue) ..... August
Although 1974 Was, and 1975 Is Down, Rebeck of FBA Predicts a Solid Future ..... August
Corrugator Instrumentation Improves Quality, Reduces Production Costs, Increase Output ..... August
Continuous Corrugator Can Produce One Billion Square Feet of Corrugated Per Year ..... September
Evaluation of Plastic Corrugated Uses Indicates Potential for Non-Packaging ..... September
Corrugated Display House Prints Four Colors in One Pass on Consistent Basis with Letterpress ..... November

DIE CUTTING

Productivity Improvements Featured in Folding Carton Converting Machinery — What's New? ..... March
Die Cutting. Chapter 2, Part 4, New Art of Corrugated Container Production ..... May
Atlas Steel Rule Die Introduces Printing Rotary Diecutting Press to Label Industry ..... June
Changing Patterns of Diecutting in Paperboard Converting ..... July
Vertical Platens, Chapter 3, Part 4, New Art of Corrugated Container Production ..... July
Swiss-Made Partition Maker Cuts Production Time, Labor ..... September
Storage and Retrieval System Keeps Die Patterns on Immediate Call by Converter or Box User ..... November
Rotary Die Cutting is A Major Area for Continued Growth in Corrugated ..... November
Corrugated Display House Prints Four Colors in One Pass on Consistent Basis with Letterpress ..... November
Serrated Punches Aid Accuracy in Rotary Die Cutting ..... November
What Are the Characteristics of Coverings for Rotary Die Cutting? ..... November
The Converted Flatbed, Chapter 4, Part 4, New Art of Corrugated Container Production ..... December

DISTRIBUTION CODE

Corrugated Moving Rapidly to Machine Readable Symbol Coding ..... April
TAPPI Calls for Study of Code Symbol-Printing Feasibility; Rejects Any Symbology to be Accepted Without More Knowledge ..... June
First Corrugated Samples of Resolution Gage Submitted for Evaluation Process ..... September

ENVIRONMENTAL CONTROL

Scrap and Dust Collectors Can Generate Fuel Savings, Meet OSHA and EPA Rules ..... April
The Baler That Wouldn't Quit ..... December

EUROPEAN OPERATIONS

*European Carton Production to Rise 6% in 1975; Comes on Top of Increase of 9% in 1974 ..... January
*Chevrel of FEFCO Calls Present Situation One of Transition, Marketing Challenge ..... February
Europe — Corrugated Board Industry Perspectives (Annual Statistical Issue) ..... August
Two Good Years Forecast for Europe ..... August
*Prices and Costs in the Finnish Board Industry ..... September
*European Corrugated Weaker in 1975 Than Same Industry in the U.S. ..... November

FOLDING PAPERBOARD CARTONS

*European Carton Production to Rise 6% in 1975; Comes on Top of Increase of 9% in 1974 ..... January
Paperboard Packaging Competition Judges Select Record 151 Entries for Honors ..... March
Ultraviolet Coatings Offer Converters New Marketing, Productivity Capability ..... May
Ultraviolet Symposium Hears Speakers Laud Potential in Folding Cartons ..... June
Folding Carton Review (Annual Statistical Issue) ..... August
High School Carton Designers Described as "Very Creative" ..... August

FOLDING CARTON OPERATIONS

1975 Will See Downturn in Corrugated; Folding Cartons Will Hold at Good Levels ..... January
Innovative Thinking Leads Independent Boxmaker to Make Purchase of Five-Color Litho Press ..... March
Women Handle Complete Sheeting Operation at Kentucky Fried Chicken Carton Plant ..... April
Ultraviolet Curing of Inks and Coatings, Their Impact on Paperboard Packaging ..... May
Regular Machinery Can Make Plastic Cartons ..... June
What Will UPC Really Cost? Part 8 of UPC — What Is It? ..... July
"Meet the Press" — Crane Carton's 'Million Dollar Baby' ..... September
The New Art of Folding Carton Production, Part II, Chapter I ..... October
How to do Your Own Sheeting . . . and Save . . . . December

INTERNATIONAL OPERATIONS

Canada's 1975 to Parallel U.S.; Slowdown to be About Equal ..... January
*Arriving at the Selling Price — and the Market Factors that Influence It ..... March
*Demand and Supply of Board in Western Europe 1974-1977 ..... June
*American Representatives Predict Smaller Upturn in Shipping Containers than Earlier Estimated ..... July
*Prices and Costs in the Finnish Board Industry ..... September

MACHINERY INSTALLATION AND DEVELOPMENT

Innovative Thinking Leads Independent Boxmaker to Make Purchase of Five-Color Litho Press ..... March
Productivity Improvements Featured in Folding Carton Converting Machinery — What's New? ..... March
Control of Warp Proven in Operator/Machine Interfacing ..... April
Big Boxes Have Big Market Potential — and Need Big Equipment Line ..... April
Curable Coating Needs No Energy Source; Enables In-Line Converting Operations ..... May
Selecting Right Equipment Involves Tradeoffs, Good Business Decisions ..... May
*Interpack '75 to Have Large Converter Representation, Machinery Makers Will Exhibit Heavily ..... May
Atlas Steel Rule Die Introduces Printing Rotary Diecutting Press to Label Industry ..... June
Corrugator Instrumentation Improves Quality, Reduces Production Costs, Increases Output ..... August
Continuous Corrugator Can Produce One Billion Square Feet of Corrugated Per Year ..... September
Swiss-Made Partition Maker Cuts Production Time, Labor ..... September
"Meet the Press" — Crane Carton's 'Million Dollar Baby' ..... September
Rotary Die Cutting is a Major Area for Continued Growth in Corrugated ..... November
Graph-Ex Features Equipment of Interest to Converters ..... November
Transfer Car Replaces 9 Fork Trucks in Completely Conveyorized Plant ..... December

MAINTENANCE

Parts Servicing in a Commitment for Overseas Maker of Equipment ..... October
Keeping in Operation With Synthetic Belting; Maintenance in a Major Production Tool ..... October
Drive Belt Maintenance Worth Its Cost and Effort ..... November

MANAGEMENT

Rigid Box Converters See 10 Percent Decline in Gross Dollar Volume in Coming Year ..... January
In Period of Tight Bank Money, Boxmakers May Do Better With Commercial Financing ..... January
Working With the Box Customer. UPC — What Is It? ..... February
*Arriving at the Selling Price — and the Market Factors that Influence it ..... March
Selecting Right Equipment Involves Tradeoffs, Good Business Decisions ..... May
What are the Legal Problems? UPC — What Is It? ..... June
Tomorrow in Converting ..... July
What Will UPC Really Cost ? UPC — What Is It? ..... August
Although 1974 Was, and 1975 Is Down, Rebeck of FBA Predicts a Solid Future ..... August
The Paper Industry in Transition . . . a Look at the Future ..... October
The Good Old Days Are Gone and They Ain't Coming Back ..... November
Solid Upturn in Shipments Seen for 1976, Economists Tell Fibre Box Meeting ..... November

MATERIALS HANDLING

Automation is the Key to Equipment Purchases in 1975 ..... January
Productivity Improvements Featured in Folding Carton Converting Machinery — What's New? ..... March

PRINTING AND GRAPHICS
Stretching Ink Supply Possible With Viscosity Control on Press ..... January
Graphic Design and Color Selection; Locating the Symbol on the Package. UPC — What Is It? ..... February
Innovative Thinking Leads Independent Boxmaker to Make Purchase of Five-Color Litho Press ..... March
Preparation for Printing. UPC — What Is It? ..... March
Making Printability Determinations. UPC — What Is It? ..... April
St. Regis Establishes Own Quality Control Device ..... April
Newspapers Print UPC Test for Coupon Redemption ..... April
Printing the UPC Symbol and Operational Quality Control. UPC — What Is It? ..... May
Ultraviolet Symposium Hears Speakers Laud Potential in Folding Cartons ..... June
Automation in Four-Color Separations May Soon Enable Transmission to Distant Cities ..... July
1974 Was Year of Progress for Radiation Curing Technology ..... September
Sheet-Fed Ultraviolet Ink User "Wouldn't Be Without It" ..... October
Corrugated Display House Prints Four Colors in One Pass on Consistent Basis with Letterpress ..... November

PRODUCT DEVELOPMENT
Waxed Corrugated Offers Converters Opportunities in New Markets ..... June
Plastic Saves up to 33 Percent of Box Plant Strapping Costs ..... July
Evaluation of Plastic Corrugated Uses Indicates Potential for Non-Packaging ..... September

PRODUCTIVITY
Control of Warp Proven with Operator/Machine Interfacing ..... April
Ultraviolet Curing of Inks and Coatings, Their Impact on Paperboard Packaging ..... May
Ultraviolet Coatings Offer Converters New Marketing, Productivity Capability ..... May
Plastic Saves up to 33 Percent of Box Plant Strapping Costs ..... July
Corrugator Instrumentation Improves Quality, Reduces Production Costs, Increases Output ..... August
Continuous Corrugator Can Produce One Billion Square Feet of Corrugated Per Year ..... September
Swiss-Made Partition Maker Cuts Production Time, Labor ..... September
*Automatic Continuous Glue Preparation for Standard and Moisture-Resistant Gluing ..... October
Serrated Punches Aid Accuracy in Rotary Die Cutting ..... November

QUALITY CONTROL
Stacking Performance. Last of seven-part Minimum Board Series ..... January
Stretching Ink Supply Possible with Viscosity Control on Press ..... January
Practical Evaluation of Mullen Tests Shows Wide Range of Test Results ..... February
St. Regis Establishes Own Quality Control Device ..... April
Printing the UPC Symbol and Operational Quality Control. UPC — What Is It? ..... May
TAPPI Meet Stresses Container Performance; Attendance Off but Activity Remains High ..... June
Corrugator Instrumentation Improves Quality, Reduces Production Costs, Increases Output ..... August
Corrugating by Computer Offers More Than Control: Production, Protection, Training are Enhanced ..... November
Effect of Repeated Recycling of Fiber on Corrugated Container Strength ..... December

RADIATION CURING
Ultraviolet Curing of Inks and Coatings, Their Impact on Paperboard Packaging ..... May
Ultraviolet Coatings Offer Converters New Marketing, Productivity Capability ..... May
Ultraviolet Symposium Hears Speakers Laud Potential in Folding Cartons ..... June
1974 Was Year of Progress for Radiation Curing Technology ..... September
Sheet-Fed Ultraviolet Ink User "Wouldn't Be Without It" ..... October

RIGID BOXES
Rigid Box Converters See 10 Percent Decline in Gross Dollar Volume in Coming Year ..... January
Nine St. Joseph's College Students Receive Packaging/Marketing Awards ..... April
Rigid Box Competition Shows Innovation, Creativity, but Falls Short in Many Areas of Product Protection ..... May
Rigid Box Review (Annual Statistical Issue) ..... August
California State U. Student Wins Rigid Box Design Schools Runoff ..... October

SECONDARY FIBERS
Paperstock Review (Annual Statistical Issue) ..... August
St. Regis Extends Tree Farm Concept for Collection of Secondary Fibers ..... October
Effect of Repeated Recycling of Fiber on Corrugated Container Strength ..... December

SHOWS, EXHIBITIONS, AWARDS
Paperboard Packaging Competition Judges Select Record 151 Entries for Honors ..... March
*FEFCO Awards Go to Cartonificio Fiorentino and Tillotson Case for Outstanding Packs ..... March
Nine St. Joseph's College Students Receive Packaging/Marketing Awards ..... April
Rigid Box Competition Shows Innovation, Creativity, but Falls Short in Many Areas of Product Protection ..... May
*Interpack '75 to Have Large Converter Representation, Machinery Makers Will Exhibit Heavily ..... May
Atlas Steel Rule Die Introduces Printing Rotary Diecutting Press to Label Industry ..... June
Bettendorf Establishes Prize of $1000 Through TAPPI ..... July
High School Carton Designers Described as "Very Creative" ..... August
"Meet the Press" — Crane Carton's 'Million Dollar Baby' ..... September
California State U. Student Wins Rigid Box Design Schools Runoff ..... October
Graph-Ex Features Equipment of Interest to Converters ..... November

UNIVERSAL PRODUCT CODE
Folding Cartons to See More UPC, Rapid Technological Change in Year ..... January
